\*Silver Partners must achieve 3 closings / quarter and Gold Partners must achieve 5 closings / quarter to maintain incentives. Silver and Gold level can be obtained by achieving the benchmark for SBRE or SBA programs, closings do not need to be achieved for both programs to receive elevated status. Lenders, banks and high-volume finance companies *may* be eligible for Silver or Gold status upon initial registration approval, or prior to closing benchmarks being achieved ([contact us here](#) if you feel you should be considered for Silver or Gold status from the start). **Referral Partners achieving greater than 5 SBA and/or 5 SBRE closings per quarter are eligible for increased referral fees.**
