

Stearns Bank N.A. Employee Retention Credit (ERC) Disclosure

The Employee Retention Credit (ERC) program is being offered through [Lendflow, Inc.](#) or [NEWITY Tax Services LLC](#) (Providers) and your decision to apply for an ERC with Providers and pursue a tax refund based on your payroll expenses, must be based on your independent research, due diligence and decision. Stearns Bank N.A. (Stearns) does not evaluate or advise whether an ERC is appropriate for you, whether you will qualify for an ERC, the amount of an ERC you may receive, and/or the cost of any approved refund through Providers. There are many options to apply for an ERC and alternatives for you. Please know that Providers are separate businesses and are not affiliated with Stearns. The inclusion of any link(s) to Providers and/or an ERC application does not constitute an endorsement by Stearns of Providers or any of their services, affiliates, or service providers. By submitting an ERC application with Providers, you understand that a referral fee may be paid to Stearns, by Providers, and that Stearns may provide Providers with information and data regarding your loans or accounts, or other data with Stearns. Please note that Providers may share this information and data with their affiliates and/or service providers, such as Accelerate Tax LLC, which you understand and agree to. By clicking any ERC or Providers labeled links, you will be redirected to a website that is not affiliated with Stearns and may offer a different privacy policy and level of security. Stearns is not responsible for and does not endorse, guarantee, or control any aspect of this linked site.
